## for Hydro One Remotes Customer Advisory Board

**Are you interested to learn more about how Hydro One Remotes provides electricity to your community, and want to help us improve our service?** We are looking for one person from your community to join our Customer Advisory Board “CAB”.

- ✓ As a Customer Advisory Member, **you will learn about our business** and will **help us understand what matters to your community members** on topics such as billing, energy savings, conservation, communications, and more.
- ✓ There will be a **monthly email question** on our services for you to respond to. ***You must have an email address that you use and check every few days.***
- ✓ If you are selected to be a Customer Advisory Board member, you will attend an all-paid **ANNUAL MEETING in Thunder Bay on AUGUST 7<sup>th</sup>, 2025** to offer your perspective on issues such as training, policies and programs. *This meeting is mandatory, so please check your schedule before applying.*
- ✓ The CAB has **8 Members in total**, each for maximum **3-year term**.
