Welcome North Spirit Lake First Nation!

On January 28, 2025 North Spirit Lake First Nation was connected to the Wataynikaneyap Powerline, with electrical distribution now served by Hydro One Remotes. Welcome! We are happy to serve.

A reminder to all customers: if there are any power issues please call our emergency line at 1.888.825.8707, 24 hrs/day, 7 days/week.

Neeganii-iishawin Gathering

Hydro One was a proud sponsor and attendee of the 2nd Annual Northern Economic Development Gathering in Thunder Bay last week. This important conference was organized by six partner organizations: Windigo Community Development Corporation, Matawa First Nations, Keewaytinook Okimakanak, Shibogama First Nations Council, TKG Group and Independent First Nations Alliance, and focused on economic development, reconciliation and the promoting the inbuilt prosperity of Ontario's north.

**COMMUNITY GRANT
OPPORTUNITY**

**2025 Energizing Life Community
Fund submissions are now open!**

Do you know a local charitable organization, Indigenous community or municipality making a positive impact?

Encourage them to apply to the **Energizing Life Community Fund** for an opportunity to receive **\$25,000** in funding to help create a healthier and thriving community.

Applications close Monday, March 17.

to Electric Heat?

- When considering an upgrade to electric heat, please contact our **Customer Service Department!**
- New equipment (transformers, wire) may be required, and the upgrade may impact your service area.
- Damage to your electrical system or community distribution system can result if systems are overloaded.
- Note that electrical upgrades, including electrical furnaces, require ESA (*Electrical Safety Authority*) permits and a licensed electrician.
